The authors of Illera et al. (2018) have inadvertently omitted the Zoobank accession code for the new subspecies proposed when the article was originally published, despite having obtained it before the article had been accepted. The Zoobank Life Sciences Id for the new subspecies is urn:lsid:zoobank.org:pub:A2DB5346-D4C9-4D25-A731-C1EC3495AC9A.
